**THE RINGWOOD
SOCIETY**

Thank you for your interest in joining The Ringwood Society

The Ringwood Society holds two meetings per year for members; an AGM in the Spring where we elect the Committee and an Open Meeting in the Autumn. Members also receive free admission to our talks throughout the year.

The Committee meets monthly online or at Greyfriars to consider planning applications, matters of interest & enhancement projects. Your support will help us to protect Ringwood's unique character.
